Re: Montana State Firemen's Association Benevolent Fund Scholarship

The Montana State Firemen's Association Benevolent Fund is offering 4 scholarships for active members of the Montana State Firemen's Association, retired members of the Firefighters' Unified Retirement System and members of the Montana State Council of Professional Fire Fighters who are not members of the Montana State Firemen's Association.

These 4 scholarships are available to members' dependents that are planning on attending college starting this fall semester. Each scholarship is \$1500.00 for the school year, \$750.00 per semester and is good for one year.

To apply for the scholarship please fill out the application and provide the requested documentation. Applications and materials must be postmarked between September 1, 2011 and September 30, 2011 to be considered. Application received prior to or after the application period will not be considered.

If you have any question please feel free to contact me.

Thank you,

Matt Norby
